An Announcement on the WoF Reread + My Activity Levels ~Oncilla (please kee...

Hi everyone. Sorry I missed the WoF Reread two weeks in a row.

Life has been crazy lately; we're moving, but our house hasn't sold yet and we don't know where we're going, so in between we're stuck in the little house my grandma rents out to people. I've only got regular access to one internet-accessing computer that I'm sharing with my mom and my brother.

As for the Reread: Between of time/computer access constraints and stress, I don't have the emotional energy to pull it off rn. So the Reread is going to be on hiatus until life gets more stable.

As for my activity: I'm probably going to be pretty inactive for the next little while (not that I haven't been for the past few days...). I barely get any computer time, and when it comes right down to it, writing my novels and fanfics is more important to me than being active here. I'll still try to check up every day, but it'll be late at night and I may or may not post. If you need me, post on my homethread /328193

See y'all later. Don't get in trouble. Byeeee
